Playing All Alone With You
Treat me gently,please.-Maya-Nemu

Playing All Alone With You

Free Talk

This is my first Maya Nemu in a year. Long time no see! There's no postscript so please read this after you finish the story!

This story takes place in the summer between Volumes 5 and 6.

"A summer story...? What kind of content should it be this time?" "They smell like sweat, but that's what makes them feel horny, that sort of thing...?" was what I randomly started thinking, but could I really just write about sweat...? And that sort of thing.

But then I jumped right into drawing it instead of first. It was fun drawing the young men flirting and hugging each other after making the score. ♪

Part of me was all like, "I've never drawn Maya having fun with friends, so this will be great"... So I was able to draw just a little about him playing futsal with high school friends. Check it out, please.

This time I enjoyed drawing a passive and defenseless Maya. Lately the storyline has focused a lot on how perverted Maya is. This time he was a little more compliant.

I'm curious to find out how those who like the normally cool Maya would react after reading that, but looking back on it, the Maya who's madly in love is already psychologically uke-ish enough... Also lately there's been a boom for an uke-ish Maya. Because I love a mixture of the cool and cute, it would be great if there were many readers who like those two points, just like me.

And then there's Nemu, who licks him while he sleeps. Nemu himself didn't like it and was angry when it was done to him, but he does it anyway. That's Nemu-san.

The truth is, Nemu has his own strongly erotic side, which I've drawn a little up until now, but this time I enjoyed drawing the part of him that says "I'm a man, after all." (/▽＼)

Also, the scene where Nemu still licks his nipples even though he gets mad at Nemu.

And then, afterward, if Nemu falls asleep after then Maya wipes his body off thoroughly after the main event, but in Nemu's case, he just leaves him as he is...

I'd be happy if you looked forward to what happens in that regard next time. It's not so much a disparity in their love, as a person who that is not attentive to details. He doesn't pull Maya's pants up either, but that makes Maya happy. (How pitiful!)

Lastly. Lots of butt drawings... Next time I want to draw Shimakawa and Akira (ambition).

Well then, till next time!
